Greetings, Fellow Time Share Owners!

You might appreciate knowing some of the highlights of your Board's activities during the 2nd quarter.

At the direction of both the STSA and SA Boards of Directors, several new Committees were formed to assist our Staff Members in developing more efficient approaches to their work loads.

A **Human Resources Committee** was formed to assist our General Manager, Mike Gooch, in locating and hiring an excellent Office Administrator. We found her! We're pleased to announce **Mollie Pike** accepted this position and has already begun part-time in June & July and will assume fulltime duties in August. I hope you'll take a minute to welcome her during your next visit.

Additionally, a **Joint House-Keeping Committee Taskforce** was formed to study expenses, concentrating on how and where cost-saving measures can be implemented. Board Members Dean Hirsch and Ed Tebrock invested hours dialoging with Staff and pouring over many pages of expenses. Thanks for your extra efforts, guys!

Minutes of Meetings are emailed to all Owners who have provided an email address. Alternatively, the Minutes are available upon request from our Association Manager, Teresa Bosteter at Windermere Management (Teresa@WindermereMgt.com).

It's going to be a great summer -- I look forward to seeing you on your next visit.
